I (Insert your name here), apply to participate in the LambPlus Service and confirm that I:

- consent and agree to Sheep Database CLG, trading as Sheep Ireland (“**Sheep Ireland**”) (i) obtaining any data relating to sheep that I either own now, have previously owned, or acquire in the future that Sheep Ireland considers relevant, including flock pedigree and Euro-Star evaluations (“**Sheep Data**”) from any source available to it; and (ii) entering such Sheep Data on the national sheep database and using such Sheep Data in any way Sheep Ireland deems appropriate in providing its services and carrying out its activities including by making such data publically available or passing it to third parties;
- acknowledge that my personal data including my name, address, telephone number and email address (“**Personal Data**”) may be used by Sheep Ireland in the provision of its services and may be included on the Sheep Ireland online Ram Search facility and in Sheep Ireland publications and also for the purpose of communicating with me. I understand that my Personal Data will be retained by Sheep Ireland in conjunction with the Sheep Data and I specifically consent to my Personal Data being used in this way and being published. I understand that I can withdraw this consent at any time by emailing Sheep Ireland at query@sheep.ie.
- consent that upon request from Sheep Ireland, I will make my flock available for a flock visit during a working day within the following two weeks. During this visit, Sheep Ireland staff may request to be accommodated to record traits required for the LambPlus program. I understand that failure to provide consent may result in my flock not receiving EuroStar evaluations for the rest of the LambPlus year.
- acknowledge that **Euro-Star evaluations will only be provided for my sheep when I have met the minimum performance recording criteria as set out by Sheep Ireland annually**. One such new criteria is to meet and maintain a minimum DQI of 30%. In event of me failing to meet the minimum recording criteria set out by Sheep Ireland and not getting Euro-Star evaluations for my sheep, **I acknowledge that my LambPlus subscription fee will NOT be refunded.**

I further confirm that I have read and understood the LambPlus terms and conditions contained at https://www.sheep.ie/wp/?page_id=45 and I agree to be bound by and to comply with these Terms and Conditions.
