LambPlus App *available now!*

Do you want to record your flock but don't know where to start?

Our newly released LambPlus App is currently available to all LambPlus breeders free of charge. This new phase of data recording makes it easier for LambPlus members to performance record their flock.

Lambing Information, weights and health records (mastitis, lameness, BCS, dag score etc.) can all be recorded instantly via your smartphone.

Other features

- Bluetooth technology allows you to connect an EID reader to the App, making data recording quick and easy.
- Offline Capability allows you to record information without an Internet connection.

Benefits

- Saves time
- User friendly
- Quick and easy to use
- More accurate Records
- Information uploaded straight to the Sheep Ireland database.
- LambPlus Reports
- Identifies the most profitable genetics in your flock

***Join LambPlus and
download for free,
contact 023 882 0451
to sign up today!***

Where to find it?

This LambPlus App is available for download on Android and iOS devices and works well on tablets and phones equally.

SHEEP IRELAND MULTIBREED RAM SALE

Kilkenny Mart, Co. Kilkenny, Saturday 23rd August 2025, at 10:30 am.

CONDITIONS OF SALE

1. The highest bidder to be the purchaser, subject to paragraph 3, and if any dispute should arise between two or more bidders then the lot in dispute to be put up again and re-sold, or the auctioneer may declare the purchaser.
2. Purchaser to give their names and place of abode in advance of the sale either by registering with Kilkenny Mart via "MartBids" (www.martbids.ie) or by calling the mart on 056 772 1407. A unique purchaser number will be assigned to each purchaser before sale commences. Purchaser is responsible for payment for relevant lot upon the fall of the hammer.
3. All lots to be cleared away at the buyers expense at the close of the sale, to be at the risk of the purchaser from the time the lot is sold and to be taken with all faults and errors of description.
4. All animals are sold as they stand and the purchaser is deemed to have examined each animal and fully satisfied himself/herself about the sheep prior to the sale.
5. Sheep to be sold in euros. Fees; sellers will pay a 2.5% commission that will be discounted by the mart and buyers will pay 5.0% commission.
6. The sellers and the auctioneers hereby excluded have described the sheep to the best of their ability and knowledge, any express or implied conditions, warranty or representation statutory or otherwise.
7. Sheep will be sold in the order in which they appear in the catalogue.
8. Re runs: First 4 lots of the sale in each sales ring can be re-run before the 2nd ballot of that breed commences. No additional re-runs will take place throughout the sale.
9. The appointed sales inspectors shall have absolute discretion to inspect and reject any sheep which, in their sole opinion, are unfit for sale, and their decision shall be final, conclusive, and not subject to appeal or dispute by any party.

Important:

Disclaimer of Liability: Sheep Ireland and Kilkenny Mart make no representations, warranties, or guarantees, whether express or implied, regarding the fertility, breeding performance, or working ability of any ram sold through their sales or auctions. All animals are sold "as is" at the time of sale. It is the sole responsibility of the purchaser to thoroughly inspect, examine, and satisfy themselves as to the condition, health, and suitability of any ram prior to bidding or purchase. Once the hammer falls and ownership transfers to the purchaser, all risk, responsibility, and liability for the animal passes to the purchaser. Under no circumstances shall Sheep Ireland or Kilkenny Mart be liable to refund, reimburse, or otherwise compensate the purchaser for any loss, expense, or claim arising from a ram's failure to work, breed, or perform after the sale, regardless of cause.

Transport for rams

The following is a list of vendors who have kindly offered to transport rams back to their locality for prospective buyers. For anybody who purchases a ram either online or at the mart that needs transport for their ram, they should contact a breeder from this list to organize that transport themselves. Breeders are not responsible for the rams during transport.

€uroStar Evaluation Explanation Page

Important: The Pedigree Information printed in this catalogue is as supplied by or on behalf of the breeder. The responsibility for the accuracy of the information therefore rests solely with the breeder and not Sheep Ireland.

Evaluations should **never be the only tool** you use when selecting animals for breeding. Animals must also be examined to ensure the animal is also physically correct; an animal that is not physically correct (ie. mouth, feet, etc.) cannot compensate for this fault regardless of its evaluation and should be avoided for breeding purposes. See below how to interpret the €uroStar catalogue.

★★★★★ €uroStars – How to interpret them

- Each star represents where the animal ranks on each index in 20% bounds
- **One star** represents the **bottom 20%** of the breed for that trait
- **Five star** represents the **top 20%** of the breed for that trait
- The higher the stars, the higher the predicted profitability of that animal

Animals that only have the outline of a star represent animals that have within flock evaluations, this means the star rating of these animals cannot be compared to any other animals from a different flock.

Rank

- This figure indicates more precisely where the animals rank within the breed. eg. Top 16% (see example below)
- This is displayed with a shaded line, the further to the right these are on the scale, the better its position within the breed.

Acc% (Accuracy%)

- This figure is very important as it represents the amount of data behind each evaluation. Where Acc% is low, much less emphasis should be placed on the evaluation, and vice versa.
- Accuracy is displayed for the Replacement & Terminal Indices. It is not displayed for the four sub-traits. If an animal has high accuracy on Replacement & Terminal, it will be high accuracy across all traits.

Ancestry Information

- 1) Replacement (€3.44)** – If a farmer desires a ram to breed both lambs both for slaughter and replacement ewe lambs then they should select a ram based on this index. The bulk of this index is a combination of Lamb Survivability, Days to Slaughter, No. of lambs born & Daughters milk. The € value beside the index represents the difference in profit that each lamb sired from this ram will have. This € value is an across breed value, so different breeds can be compared to each other.
- 2) Terminal (€2.86)** – If a farmer desires a ram to breed only lambs for slaughter then they should select a ram based on this index. The bulk of this index is a combination of Lamb Survivability and Days to Slaughter. The € value beside the index represents the difference in profit that each lamb sired from this ram will have. This € value is an across breed value, so different breeds can be compared to each other.
- 3) Lamb Survivability** – This ranks animals based on lambing ease and lamb survival rate. Every positive % point on this index is an extra lamb surviving to 40 days and vice versa.
- 4) Days to Slaughter** – This ranks animals on their genetic ability to grow. The index associated with this trait represents the difference in the predicted number of days required for the progeny of this ram to reach the desired slaughtered weight compared with other animals of the same breed.
- 5) No. of Lambs Born** – This ranks animals based on the predicted prolificacy of the females from this animal compared with other animals of the same breed.
- 6) Daughters Milk** – This ranks animals based on the predicted milking performance of their daughters compared with other animals of the same breed.

RamSearch.ie

The Sheep Ireland Online Ram search is also available at ramsearch.ie, you can use this tool to get the most up to date evaluations for a ram, to **search for rams by county, breed and current evaluation ratings**.

Contact Us

Find out more about EuroStar rams, LambPlus or the Online Ram search you can visit www.sheep.ie, E-mail query@sheep.ie, or Call us on 023 882 0451
